## VOLUNTEER JOBS

- REGISTRATION & PACKAGE PICK-UP** – Thursday, June 9, (5-8 pm) or Saturday, June 11, (10 am–3 pm). Provide packages to walkers/runners at our Boogie Registration & Package Pickup venue, plus assist with taking last minute registrations. Plus, you'll hand out Boogie shirts, and assist or answer questions that participants may have.
- "COURSE" SET UP** – Sunday, June 12, 5:00 am-8:00 am. Assist our "course designer" in getting the race route ready! You'll help by setting up pylons and various structures, as well as signs, along the route. Getting finished early will then allow you to either cheer participants on along the route or back at Griffiths!
- WATER/AID STATIONS** – Sunday, June 12, 7:50 am-11:30 am. This is fun to do as part of a team or with a group of friends or co-workers, or sign up as an individual and join in the fun! Tasks will include handing out water and Gatorade to runners/walkers as they pass by your station. Plus, cheering on the runners and walkers is always appreciated and your group will have lots of fun creating lots of spirit for the event!
- ROAD MARSHALS** – Sunday, June 12, 8:00 am -12:00 noon. We consider this one of the most important jobs along the course! Work at positions along the race course, ensuring that it is clear for runners & walkers participating in the event. Plus, you'll have fun as you also cheer on participants as they go by!
- ENTERTAINMENT** – Sunday, June 12, 7:30 am – 1 pm. Everyone loves an entertainer, and so will the participants at this year's event! Help make the event better than ever... come out and entertain the participants, spectators and volunteers with music, dancing, cheerleading, juggling, etc. at designated locations along the course as well as at the event site – before and during the event as well as at our premier "Boogie Fest!"
- PHOTOGRAPHERS** – Sunday, June 12, 7:00 am–12 noon. Help us to capture "Boogie" memories of the event. This can be done at any of the water stations, along the course, as well as at the start and finish line!
- BOOGIE FEST** – Sunday, June 12, 8:00 am - 1:00 pm. Let the celebration carry on... Boogie Fest will take place following the Boogie events (in the grassy area behind Griffiths Stadium). Volunteers at this venue will help set up and take down tents and equipment as well as assist in facilitating children's activities (face painting, coordinating games, etc.).
- CYCLIST/NAVIGATORS** – Sunday, June 12, 7:50 am–12 noon. Help keep the walkers & runners on track and going in the right direction by navigating them through the course!
- TRAFFIC & PARKING** – Sunday, June 12, 6:45 am-12 noon. Provide direction for parking and direct 'parking traffic' in designated parking areas on event day morning.
- "START/FINISH LINE" CREW** – Sunday, June 12, 7:20 am–12 noon. There are many areas where we'll need your help! Guide the runners & walkers to get ready & line up at the starting line; guide them as they approach the finish line; assist with traffic flow at the finish line.
- FOOD TENT** – Sunday, June 12, 7:30 am–12 noon. No cooking required, just lots of fun! We'll need volunteers to set out the food the morning of the event and help hand out the food to all participants (runners & walkers) shortly after they cross the finish line.
- GEAR TENT** – Sunday, June 12, 7:00 am-12 noon. Store and retrieve runners/walkers belongings on race day. Not only do folks really rely on this service, but it's fun to help out the runners and walkers so they can focus on participating in the race.
- INFO TENT** – Sunday, June 12, 7:00 am-12 noon. When participants have a question, or need information, who are they going to ask? Volunteers at this venue will assist runners and walkers with questions they may have, or provide them with information so as to make their day a little easier and lots more fun!
- "FINISH AREA" CLEAN UP** – Sunday, June 12, 10 am – 1 pm. Tidying up once the event begins to wrap up is just as important because we want to ensure that we leave everything as we found it. You'll help with dismantling and cleaning up... tear down tents, equipment and general clean up will be required.
