Boogie Day Tips:

- Teams do not have to enter in the same event or participate together BUT it sure is fun if you do.
- Encourage your team to cheer each other on during the race and/or at the finish line.
- If you are planning to meet as a group on Boogie morning, choose a location in advance to meet and make sure everyone knows where it is. You may also want to make a banner for your team or bring a marker (like balloons) so everyone can see where to meet.
- Ask team mates to meet by 7:00am. Parking will be difficult and finding each other in a crowd can be hard.
- Go green! Consider walking, riding your bike or car pooling to Griffiths Stadium. This will cut down on traffic and parking hassles and it is environmentally friendly.
- Some teams like to dress in a theme or just dress silly. We encourage you to have fun!
